

The Burbidge's home is close to completion

Happy New Year! It is hard to believe February is right around the corner. Pandemic or not, time does not stand still. Since the beginning of July, Charlotte County Habitat has completed and closed 13 homes. Currently, we have 28 families working through our homeownership program.....

The need for affordable housing is greater than ever before. We receive, on average, 90 - 100 inquiries a month from families who are desperately in need of finding an affordable housing solution. We are working diligently to help as many families as possible during these very challenging times.

February is the final month of our *Annual Home Build Campaign* and we are happy to report that Derek, Jessica and their children will be moving into their new Habitat home soon. They have worked hard to complete all the necessary requirements to become Habitat homeowners.

We are truly thankful for everyone that has made a contribution to the *Annual Home Build Campaign*. We set a lofty goal of \$200,000. To date, including matching dollars, we have raised \$75,000. We would like to give a special thanks to: **The Farr Law Firm, Landsberg Bennett Private Wealth Management and Brittney Williamson** for being matching donors for this campaign. Will you please consider making a donation to the *Annual Home Build Campaign*? Your donation will be **DOUBLED** and will help us provide more families with the opportunity to achieve the American Dream of owning their own home.

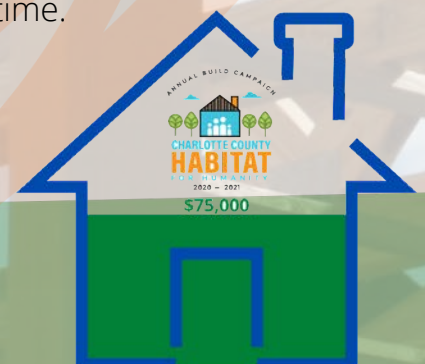

Thank you for your continued support and for partnering with us during these unprecedented times. Together, we can continue to build a stronger community one family at a time.

God bless you,

J Remed

We have been praying for a home since we arrived in Florida 3 years ago. The Lord's timing is perfect....we finally have hope for a home of our own!

Thank you.

This opportunity means the world to me. After overcoming hard times my girls and I are so thankful for your help!

Megan Lanning

The Habitat opportunity will change my family's life by providing a safe, comfortable home with many memories of joyous occasions.

Veronica Atkinson

I am very grateful for Habitat and the opportunity for low income individuals. My children and I will benefit a great deal.

2021 Apostles Build

1st United Methodist Church of Punta Gorda * Burnt Store Presbyterian Church
Deep Creek Community Church * Edgewater United Methodist Church
Faithlife Church * Lighthouse United Methodist Church * Pilgrim United Church
Port Charlotte United Methodist Church * St. Andrews Episcopal Church

Construction of our 11th Apostles Build home began in early January. We currently have nine (9) churches, who have participated in previous AB projects, returning to provide funding and volunteers. The home is being built in Punta Gorda.

The future homeowner is Eugene Rihl, a single father who is focused on providing a stable upbringing for his 3 year old son. Our church partners understand the current low-income housing need in Charlotte County and are ready to nail 2x4's, install siding and paint walls with smiles and prayers. Our goal is to have the home completed by mid-April.

If you are interested in learning more about this build, please call our office at 941-639-3162.
