'A picture is worth a thousand words'

Most of us are familiar with this expression. What do you see when you look at this picture? Joy, hope and pride are a few things that I see.

June 30th marked the end of our fiscal year. These 28 families have realized the dream of homeownership.

As we embark on a new fiscal year our goal is to partner with an additional 36 families. Thank you for your continued support and for helping make dreams come true for so many deserving families.

God bless you,
Gabrielle Reineck

Congratulations Future Homeowners

Alleah Forest

As a single mother of 4, qualifying for a Habitat home is truly a blessing. I now have an affordable home to raise my children. I thank you from the bottom of my heart.

Carrie Cook

I am so excited to show my children that hard work pays off and dreams do come true!

Christiana Foster

As a child, my family was always moving and unstable. Being accepted into the Habitat homeowner program provides my family with an affordable, stable place to call "Home".

Development

On Saturday, May 29th, the **South Florida PGA** began building its partnership home with Charlotte County Habitat for Humanity, as both the financial sponsor and the volunteer crew!

Several SFPGA Foundation Board members traded in their golf clubs for hammers and stepped away from the golf course and onto the construction site.

Together, future homeowner Theresa Brick, and South Florida PGA, are building a home and lasting friendships.
