# Letter from Leadership

2022 – WOW!

*It is hard to believe we are entering the month of February. It does not seem that long ago that these 4 families plus 21 more celebrated Christmas for the first time in their new Habitat home. Times continue to change but the mission of Charlotte County Habitat for Humanity remains the same. We are called to help end the affordable housing crisis.*

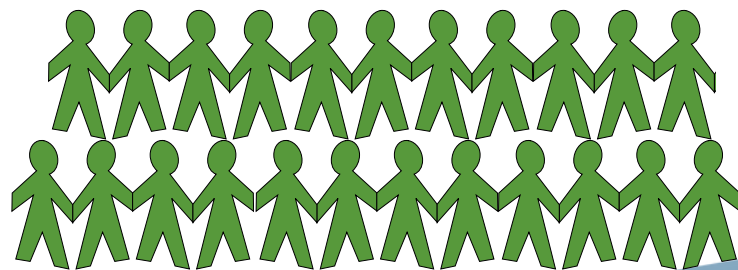

*We currently have 21 families approved in our homeownership program waiting for their homes to be complete. We need your help to make the **'dream of homeownership'** reality for these families. If you are interested in volunteering or supporting our mission by making a monetary gift, you can do so by visiting [www.charlottecountyhfh.org](http://www.charlottecountyhfh.org) or by calling our office at 941-639-3162.*

*May God continue to bless you and your family.*

Chief Operating Officer*
