2023

Thank You to Our ONEderful Donors and Volunteers

Volunteers and donors fuel our vision of a world where everyone has a decent place to live. No one, from the poorest to the richest, is successful without the help and support of others. At Habitat, we are around the best of humanity. Our volunteers know our stories, and we know theirs. They are our friends, neighbors, and community members. Like most of us, they are from all over the country and world. Each of their journeys have led them here to Charlotte County and each of them have their own story for partnering with us.

It's hard not to be inspired by our Habitat volunteers and donors. Focusing on what people are willing to do keeps us from getting too overwhelmed by the enormity of the challenges that we face. One Hammer, One Donation, One Giving Hand can affect lifelong change. Thank you for choosing to BE THE ONE in 2022.

Volunteer Opportunities

Volunteers are the  of Habitat

Turkey Trot 5K

Our annual Turkey Trot 5K requires a lot of behind the scenes work.

Volunteer opportunities include creating and distributing race packets before the event and helping with tasks on the day of the event.

Office

We are always in need of volunteers to help around the office. Duties include answering phones, ordering supplies and some light housekeeping.

Construction

Building affordable housing is what we do best. Join our construction team for hands on home building opportunities.

ReSale Stores

Our ReSale store volunteers receive, sort, price and stock our donated items in our stores.
