CONSTRUCTION

We invite you to volunteer on our construction sites, where you will enjoy working side-by-side with other volunteers, donors and current/future homeowners. Volunteering in our construction program requires no prior experience—you will learn everything you need to know under the guidance of our Site Supervisors. Construction days are scheduled Tuesday thru Saturday from 8:50am to 3:00pm.

RESALE STORES

Join us at one of our 4 ReSale store locations. By volunteering you are helping us prepare our gently used items for resale. This is a fun job where you meet new people and really make a difference in our community.

ReSale Store Locations

1750 Manzanita Ave, Punta Gorda
1354 El Jobean Rd, Port Charlotte
3325 S Access Rd, Englewood
2440 Tamiami Trail, Port Charlotte

OFFICE

Looking for a way to use your clerical skills while making a difference in our community? Join our team of office volunteers, who are important to the smooth operation of our organization. We have opportunities in our Punta Gorda office.

Our office receptionist shifts are Monday through Friday from 8am-12pm or 12pm-4pm, or stay the entire day. We welcome both one-time and repeat volunteers.

GROUP & TEAM VOLUNTEERS

Do you have a group of 5 or more people who would like to volunteer on a construction site or in one of our ReSale store locations? Contact our Volunteer Coordinator at 941-639-3162 to set up a date. Volunteering is a perfect team building experience for your group.

SPECIAL EVENT

Our Turkey Trot, Charlotte County's largest 5K event, is held each year on Thanksgiving morning. In order to make the event a success, we need a lot of behind the scenes help. Volunteers make this event much easier to manage in the months before and on the day of the event.

SERVICE HOURS

Volunteering with Charlotte County Habitat for Humanity fills the volunteer requirements to be eligible for scholarships and graduation.
